ELK CREEK JOTS.

Elk Creek, Jan. 26.—The surprise dance at Millard McFetridge's Friday night was a grand success. A delicious lap supper was served, with hot coffee. Dancing commenced early and continued till daylight. Everyone present had a glorious time. In fact many said it was the best dance in this neighborhood since a dance at the same place one year ago.

Bower Clark, the old pioneer of Elk Creek, is able to be about. Ralph Smith sits up nights to keep his toothache company.

Calvin Smith and family were visitors at Pat Loftus', Friday.

Sam Baker is on the sick list this week. Wren Roberts is also on the sick list.

Men can get their overcoats, suits and underwear nicely mended by one who understands the business. Inquire at the Woman's Exchange, Samuels building.

WALLOWA TO PAY NO LARGER SHARE

EMERGENCY TAX MEASURE
LEAVES ABOUT SAME AP-
PORTIONMENT.

Salem, Jan. 28.—The emergency tax bill authorizes the governor, secretary of state and treasurer to act as a board of equalization, with power to apportion the state tax among the counties according to what they find to be the true valuation. The effect of the measure will be to make practically no change in the proportion of state tax each county will pay.

Salem—Governor Chamberlain sent to the legislature Tuesday morning a special message advising immediate enactment of an emergency tax law to take the place of the act declared unconstitutional. In speaking of the matter the governor said that in his opinion it would be necessary for the legislature to frame and pass a bill either making a levy or authorizing the state board of apportionment to make a levy for the year 1909.

It is evident from this that Multnomah, Columbia, Tillamook, Douglas, Jackson, Josephine, Clackamas, Coos and Wallowa must pay the greatly increased tax which will be apportioned under the uniform levy based upon assessed valuations. The burden will fall upon the counties as a whole, for the state tax is a debt from the county to the state.

With 11 dissenting votes, members of the Clackamas county delegation in the house succeeded Tuesday in having passed their bill providing for an eight-hour workday in all manufacturing, mechanical, mercantile and other establishments operating continuously 24 hours.

Bills creating fully 200 new jobs, many of them on fat pay, have been introduced in the legislature, loading up taxpayers with more than \$1,700,000 salaries and expenses for the ensuing two years.

Representative Hughes, of Marion, has introduced in the house a bill making it possible for every county of the state to make its treasurer tax collector.

**LOWEST COLONIST RATE
MADE IN THREE YEARS**

Portland, Jan. 28.—"I simply had to stop telling my friends where I was going," said a man from Kansas City, recently, "for when I spoke of the Pacific Northwest everybody was so interested and wanted so much information that I wouldn't

have had any time left for my own business had I undertaken to get it for them. You have no idea how many people are looking in this direction."

Various commercial bodies of Oregon and Washington are planning to get out leaflets to be used as a letter of enclosure, emphasizing the wonderfully low colonist rates from the East—they are awaiting announcement of Atlantic coast and other points not yet decided by the passenger association of the transcontinental roads. The \$25.00 fare from Missouri river points, \$30.50 from St. Louis, and \$33.00 from Chicago is the lowest named for three years.

THEODORE E. BURTON, OHIO'S SENATOR ELECT.

Theodore E. Burton, the Ohio senator elect, is a product of the Western Reserve and probably has a larger personal acquaintance in the state than any other man. He prides himself on the fact that he can call more men in Cleveland by their first names than any one else in the city. He has a keen sense of humor and can tell a story with the best story tellers. He is long, lean and rugged, but his face is kindly, open and impressive of candor and dignity.
